

How to Obtain Clearances – Online Requests

Clearances include Acts 34, 114, 126 and 151

State Police Criminal History Record – Act 34

The Pennsylvania State Police has established a web-based computer application called “Pennsylvania Access To Criminal History” (PATCH.) Using this system, a requestor can apply for a PA criminal background check online. This response is based on a comparison of data provided by the requester in Part I of the form against the information contained in the files of the PA State Police Central Repository only, and does not preclude the existence of criminal records which might be contained in the repositories of other local, state, or federal criminal justice agencies. No Record certificates are returned immediately 85% of the time through the Internet to the requestor. *The cost is \$10.00 per request.*
